Thanks to all of you who volunteer your time, energy and enthusiasm to various boards, committees, charities, schools, hospitals, etc.

**Thanks
to Our
Volunteers!**

A special thanks to our CANNT Board and Planning Committees.

*From Steve Tipman, President and CEO,
Volunteer Canada*

Every time I hear Winston Churchill's famous quote: "**We make a living by what we do, but we make a life by what we give,**" I think about how fortunate we are as Canadians to have so many volunteers giving their time - to improve our communities, and quality of life.

Abstract Submissions

Thanks to all who submitted abstracts for CANNT 2014. The planning committee has completed their review and a GREAT program will be coming soon.

CANNT Journal Highlight

Quality of life in end stage renal disease:
A concept analysis

By Julie Émelie Boudreau, RN, MN, CNeph(C), and Anik Dubé, PhD(c), RN

Quality of life is a multidimensional concept historically used by governmental bodies to measure society's satisfaction of economic and social outcomes. However, health care researchers have demonstrated that the concept of QOL relates to a deeper meaning of an individual's experience of life and health.
