Pursuing the Power Within

National Nurses Week

May 12 - 18, 2014

This year's National Nursing Week poster puts the spotlight on nurses at the forefront of health-care transformation.

Please take a few minutes this week to congratulate and celebrate yourselves and your co-workers on the great job you are all doing every day in providing the best possible care for your patients.

To download or order this year's poster from CNA click [here](#).

CANNT Call for Nominations to the Board of Directors

The CANNT Nominating Committee is looking for CANNT/ACITN members to apply for the following positions on the CANNT/ACITN Board of Directors.

Benefits to Board Membership

- have a DIRECT VOICE in how YOUR Association is run.
- receive complimentary registration for the annual conference, with travel and accommodations covered as well!
- CNA recognizes professional committee membership / participation (executive of a specialty association) and 25 hours can be claimed annually towards certification hours.

The positions commence **October 2014** in **Niagara Falls, ON.**

Deadline to apply: May 15, 2014
- only seven days remain -

Positions Available:

President Elect (3 year term)

Vice President Technologists (2 year term)

Vice President Ontario (2 year term)

Vice President Western Region (2 year term)

For more information and forms for candidates and nominations click [here](#).

CANNT Booth-In-A-Box

We now have a great package that can be reserved to promote CANNT at trade shows, conferences or learning sessions. It comes with a pop-up banner, membership and conference literature, tablecloth and even candy dishes.

Please contact [Sharon Lapointe](#) if you would like more information.

CANNT Journal Highlight

CONTINUING EDUCATION SERIES: Dosing chemotherapy agents in hemodialysis - A focus on multiple myeloma

By Rachel Runnels, BScPhm student, Karen Cameron, BScPhm, ACPR, CGP, Pamela Ng, BScPhm, and Marisa Battistella, BScPhm, PharmD

LEARNING OBJECTIVES

After reading this article, readers should be able to:

1. Describe the epidemiology of cancer in ESRD patients
2. Gain a basic understanding of multiple myeloma including its epidemiology and presentation
3. Gain a basic understanding of the commonly used antineoplastic agents in multiple myeloma
4. Understand the factors to consider for the removal of chemotherapy agents by hemodialysis

Click [here](#) for the more information.

Other News

NANT Webinars - Continuous Learning
