WE NEED HEMODIALYSIS NURSES!

We are looking for volunteers to participate in a study about the role of hemodialysis nurses in providing kidney supportive[†] (palliative) care in hemodialysis.

Your participation is confidential and will include at least two virtual interviews via the Zoom[©] videoconferencing platform. Interviews will last 45 to 60 minutes each and will be scheduled at your convenience. There is no financial incentive for your participation.

If you are interested in participating, please contact the principal investigator:

Jovina Concepcion Bachynski at 19jcb1@queensu.ca

For any additional questions or concerns, please do not hesitate to contact:

Faculty Co-Supervisors:

Dr. Mary Smith at (613) 533-6000 (ext. 74309) or mary.smith@queensu.ca

Dr. Pilar Camargo Plazas at (613) 533-6000 (ext. 75690) or mdpc@queensu.ca

[†]Kidney supportive care is palliative care for people with kidney disease and can be provided alongside therapies intended to prolong life such as dialysis.
